Dear Staff, Pupils and Parents.

### **Eco-Schools Scotland – Eco-Schools Green Flag Award status**

I am delighted to confirm that your school has successfully renewed Eco-Schools Green Flag Award status. This is an outstanding achievement, so please pass on our congratulations to everyone involved.

### **Interim Assessment Report**

**Well done to all at Dunoon Primary for a great whole-school effort in renewing your Green Flag status, during which you monitored progress well and shared your successes with the wider community via the school blog and newsletter. I was most impressed by your community litter picking activities and especially your sterling work to clean and adopt Westbay Beach, giving a great example to your neighbours of your commitment to keeping the local environment tidy and welcoming. Clearly, Eco is thoroughly integrated into the curriculum and calendar via your focus on Outdoor Learning, your participation in the Beach School initiative and John Muir Award, and events such as Active Health Week. You have also taken pupil learning outwith the campus on your visits to Benmore Outdoor Centre and through your gardening work at the local nursing home, and have engaged the support of useful partners like the GRAB and Robertson Trusts and the Marine Conservation Society. Fantastic work, everyone.**

### **Next Steps**

Please continue your next Eco-Schools two year renewal as before by choosing new topics and creating new Action Plans, prior to a launch of a refreshed Eco-Schools Scotland process in 2017.
