5 January 2016

Dear Mrs Stewart,

I am sorry for not writing sooner to thank you, the staff and the Choir for the wonderful Evening Service on Sunday 13th December 2015 in aid of the Childrens Hospice Association Scotland.

St Johns must apologise firstly for our failure to advertise the event, and secondly for this delay in writing, which was caused by our error in the count of the collection taken on the evening, but luckily pointed out and finally resolved by the Bank.

I am now pleased to tell you that the final total raised came to £319. 02, a significant increase over previous years. A cheque has now been sent to CHAS and I will forward a copy of their acknowledgement once received.

The actual event was a tremendous credit to all staff members involved, particularly Mrs Hamlett , Mrs MacDonald and Mrs Peek , and of course to the children who took part. Please pass on our thanks to them.

As always , it was a wonderful occasion made special by its being done by children for children, and we hope we may look forward to its continuance in future years.

Kind Regards,

M P Currie
Treasurer
